MISSAEL HERNÁNDEZ ROSADO
Software engineer

EMAIL: missaelxp@gmail.com   **LINKEDIN:** missael-hernandez

Xalapa, Veracruz, Mexico

SUMMARY

I am a software developer with a passion for programming. I'm a full stack developer and I had work as a team leader. I also have good communication skills.

EDUCATION

Universidad Veracruzana - Bachelor of Software Engineering (2014-2019) Xalapa, Veracruz, Mexico

EMPLOYMENT

iDisc – From February 2019
Full time programmer
I worked in task automatization for translation services, as well as Consuming APIs Rest, doing scrapping or automatizing email reading to retrieve task information for translators. Design and development of web apps.

Univesidad Veracruzana 2019 - 2020
Part-time professor of Application Development

Martínez Soto Consultores informáticos - 2014-2019
Design and development of web pages and systems.

Univesidad Veracruzana – Grupo Cafetalero San Rafael – Professional Practices and Social Service - 2017-2018
Development team leader
I worked on the creation of a project to support decision making for the restaurant sector, in professional practices focused on the documentation of business processes while in social service focused on the programming of two modules of the system.
